

# **HERTSMERE ACADEMY OF DANCE & PERFORMING ARTS**

## **\* SHOW QUESTIONS & ANSWERS \***

If you do Saturday Morning Theatre School and a Weekday class with Hertsmere Academy, can you take part in both groups?

Yes, you can take part in both, as long as prior payment is made for both activities and that you can attend all the rehearsals. If this is your intention at the beginning of the process, you must make sure you fill in both application forms and let us know so our team can work around your quick changes etc...

We cannot take part in both shows, can we still participate in one?

Yes...

This must be stated on your application form and we must know within the first few weeks of rehearsal, otherwise it will not be fair on the staff or cast if you pull out last minute.

For weekday students, there maybe an easy solution or an alternative class we can offer you that will be performing on the night you can do but you must speak to us before the deadline and clearly state your intentions on the application form. Otherwise you will have to decline taking part in the show.

For a Saturday Student, this is possible but the full amount must still be paid and we must know of your intention at the beginning of this process, so that our team can work around this.

What do we wear to rehearsals?

Hertsmere Academy students should wear the school uniform with relevant dance shoes. Non members should wear something that you can move in or dance clothes you already have.

Correct footwear should be worn for dancing and Non members maybe asked to purchase correct dance shoes should you not have them - this is for Health and safety reasons. You will be advised on what shoes and dance wear are appropriate by the resident staff member.
